

After School Enrichment Classes using LEGO® bricks!

Sponsored by the Gregory Gardens PTA

This is a hands-on class where students will design and build educational models including motorized machines.

- Problem solving and critical thinking skills are developed
- Creativity and self-confidence are encouraged
- Teamwork is fostered

Eight week session beginning Tuesday, October 4

Inventions!

Introduce your student to the world of ideas, creativity, inventions and patents. We will construct different familiar objects each week such as a hand mixer, windshield wipers and a conveyor belt. Each model is motorized for maximum movement and fascination!

Kindergarten only class: 1:30 - 2:15

Grades 1 - 5: 2:25 - 3:25

Tuesdays

10/4 - 11/29

(No class the week of 11/22)
