PRIVATE AND SEMI-PRIVATE PIANO OR GUITAR LESSONS

Studio quality music classes conveniently located right here at Gregory Gardens!

Our staff of patient professional music instructors encourage students to learn and experience the language of music while building self-esteem and confidence. We believe that when children have fun with music lessons they will play for years. Students will learn songs that are not only popular and fun to play, but help with sight-reading, rhythm, theory and many other musical fundamentals.

Each session ends with a voluntary student recital!
